

TRUFROST & BUTLER

Dr. coffee

Fully Automatic Coffee Machines (For high traffic applications)

The F 200M T is high performance super-automatic coffee machine from Dr. Coffee that is designed for heavy duty banqueting or similar applications hotels, convenience stores and busy bakeries. Brought to India by Butler, it leads the super-automatic coffee machines with an advised daily output of 200 cups or more. The steam wand ensures you can whip up piping hot cappuccino. The professional rotary pump facilitates stable pressures, efficient output as well as perfect consistency. With a double ground coffee option and a one-push button for dense, hot/cold milk froth, your coffee inspirations can never fail.
