

TRUFROST & BUTLER

On-demand & Manual Coffee Beans Grinders

Butler Professional Coffee Grinders are built in an elegant combination of steel and black and are a perfect complement to your Traditional coffee machine. You can choose between 2 manual grinders - Brasil and Junior or Saga and Yoga - on-demand doser-grinder that also has a digital display. They have single-bodied, hermetically sealed dosers that prevent aroma loss. The motor is equipped with a thermal protector.
