

TRUFROST & BUTLER

Fully Automatic Coffee Machines (For medium & light duty applications)

The all new Italia TurboSteam range of super-automatic coffee machines from Butler is designed to cater to the needs of medium and small foodservice applications such as canteens, pizzerias, bakery shops, offices and even homes. It has an advised daily output of upto 100 cups a day. The special steam wand ensures you can whip up piping hot cappuccino unlike its peers in the market that fall woefully short on this feature.
